

**THE STATE OF NEW HAMPSHIRE
SUPERIOR COURT**

CHESHIRE, SS.

No. 08-E-095

In re: Monadnock Regional School District

ORDER ON PENDING MOTIONS

On July 14, 2008, the court granted the Monadnock Regional School District's ("MRSD") petition to conduct a special meeting to consider a collective bargaining agreement with its teachers' union. MRSD and the Monadnock School Taxpayers Association ("MSTA") have filed motions asking for clarification or reconsideration of the order.

Upon consideration of the pending motions, the court grants MRSD's Motion for Clarification. The schedule set forth by MRSD in its motion should be followed. The court revises its prior order insofar as it restricted the time for balloting. The SB2 procedure outlined in MRSD's motion should be used for balloting and polls at polling stations may remain open for the balance of the day on September 9, 2008, rather than opening at 7:30 pm.

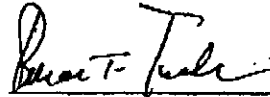

The court finds that this clarification addresses the concerns raised by MSTA's motion to reconsider. To the extent MSTA argues that the schedule set forth in the motion for clarification and adopted in this Order does not comply with statutory requirements, the court finds, for the reasons expressed in

MRSD's objection to the motion to reconsider, that MSTA's arguments are unfounded.

The Motion for Clarification (document no. 24) is granted. All relief requested by MSTA that is inconsistent with this Order is denied.

SO ORDERED.
